Emma Johnson

QA Engineer | Expert in Automated Testing and CI/CD Integration

Phone: +44 701 123 456 | Email: emma.johnson@qaexpert.com

PROFILE

Experienced QA Engineer with over 10 years of expertise in designing and implementing automated testing frameworks using tools like Cypress, Selenium, and Jenkins. Proven track record in ensuring software quality through rigorous testing strategies, CI/CD integration, and close collaboration with development teams.

Committed to delivering high-quality software products, I excel at identifying and resolving issues early in the development cycle. My goal is to enhance product reliability and user satisfaction through innovative QA practices.

KEY SKILLS

- Automated testing with Cypress, Selenium, and Playwright.
- CI/CD pipelines using Jenkins and GitHub Actions.
- API testing with Postman and REST Assured.
- Load and performance testing using JMeter.
- Test case management with tools like TestRail and Jira.
- Strong knowledge of scripting languages: JavaScript, Python.
- Expertise in Agile and Scrum methodologies.
- Experience with cross-browser and mobile testing.

PROFESSIONAL EXPERIENCE

Senior QA Engineer | QualityTech Ltd. (2015 - Present)

Curriculum Vitae

- Developed and maintained automated testing frameworks using Cypress and Selenium.
- Integrated test automation with CI/CD pipelines using Jenkins.
- Conducted API testing and validation using Postman and REST Assured.
- Collaborated with cross-functional teams to ensure test coverage and product quality.

QA Engineer | Test Innovators (2012 - 2015)

- Designed test plans and executed manual and automated tests.
- Performed load testing with JMeter to identify performance bottlenecks.
- Managed and tracked bugs using Jira, ensuring timely resolution.

Junior QA Analyst | CodeWorks Inc. (2010 - 2012)

- Executed functional and regression tests for web applications.
- Maintained test scripts and contributed to automation efforts.
- Conducted cross-browser testing to ensure compatibility.

EDUCATION

Bachelor's Degree in Information Technology | University of Birmingham (2006 - 2010)

- Focused on Software Testing and Quality Assurance.

CERTIFICATIONS

- ISTQB Certified Tester, Advanced Level.
- Certified Selenium Professional.
- Certified Jenkins Engineer.
