

Curriculum Vitae

John Smith

Senior Backend Developer | Expert in Java and Enterprise Solutions

Phone: +44 700 987 654 | Email: john.smith@backendpro.com

PROFILE

Seasoned backend developer with over 15 years of experience designing, building, and optimizing complex enterprise systems. Skilled in Java, Spring, Quarkus, and database management systems like Oracle and PostgreSQL. Known for delivering scalable, secure, and high-performance backend solutions.

I am passionate about solving technical challenges and improving system architectures. My goal is to contribute to the success of innovative projects by leveraging my technical expertise and collaborative mindset.

KEY SKILLS

- Backend development with Java, Spring Boot, and Quarkus.
- Expertise in relational databases: Oracle, PostgreSQL.
- API design and implementation (REST, GraphQL).
- Performance optimization of backend systems.
- Knowledge of messaging systems (Kafka, RabbitMQ).
- Strong focus on scalability, security, and reliability.
- Proficient in Git and CI/CD pipelines.
- Experience with Docker and Kubernetes for containerization.

PROFESSIONAL EXPERIENCE

Senior Backend Developer | Enterprise Solutions Ltd. (2016 - Present)

Curriculum Vitae

- Designed and developed large-scale backend systems using Java and Spring Boot.
- Migrated legacy systems to microservices architecture using Quarkus.
- Integrated Oracle and PostgreSQL databases, optimizing query performance.
- Led a team of 5 developers, mentoring junior staff and ensuring code quality.

Backend Developer | Tech Innovators (2010 - 2016)

- Implemented RESTful APIs to support frontend applications and external integrations.
- Built batch processing systems for financial transactions using Spring.
- Conducted database schema design and query optimization for PostgreSQL.

Junior Developer | CodeWorks Inc. (2008 - 2010)

- Developed backend modules for internal tools using Java.
- Maintained and updated Oracle database systems.
- Collaborated with cross-functional teams to ensure system reliability.

EDUCATION

Bachelor's Degree in Computer Science | University of Manchester (2004 - 2008)

- Focused on Software Development and Database Systems.

CERTIFICATIONS

- Oracle Certified Professional, Java SE.
- PostgreSQL Certified Professional.
- Docker Certified Associate.

LANGUAGES

- English: Intermediate (B1)
